9. Read the following poem carefully and answer the questions that follow:

In your arms, I found my peace,
A shelter where worries cease.
Through every storm, you held me tight,
Guiding my soul toward the light.
You are the light that leads my way, Mom, you shine both night and day.

Your voice, a melody sweet and pure,
A balm that helps my heart endure.
With every word, you lift my way,
Turning my darkest nights to day.
You are the light that leads my way, Mom, you shine both night and day.
Your hands have shaped the life I know,

Planting seeds that help me grow.
In every tear and every cheer,
You've been my strength, my pioneer.
You are the light that leads my way, Mom, you shine both night and day.

No wealth or gift could ever show,
The depth of love I feel and owe.
For all your sacrifices made,
My gratitude shall never fade.
You are the light that leads my way, Mom, you shine both night and day.

Forever, Mom, my heart is yours,
Through every joy and every course.
No matter where life takes me far,
You'll always be my guiding star.
You are the light that leads my way, Mom, you shine both night and day.
